" .. If the Lord demands something of a soul, He gives it the means to carry it out, and through grace He makes it capable of doing this. So, even if a soul is utterly miserable, at the Lord's command it can undertake things beyond its expectation, because this is the sign by which it can be known that the Lord is with that soul; God's power and strength, which make the soul courageous and valiant, is manifested within it" (Diary of St Faustina, 1090).
